P.D. G.O.Ms.No.2373/55-1, Dated 30.8.55. 195

THIRD ASSISTANT SECRETARY TO GOVERNMENT 1-SEP 1955 79191 AGRICULTURE DEPARTMENT

Sir,

Sub: Education - Fisheries Higher Elementary School - Navunda in South Kanara District - Amalgamation of Standard I and Bifurcation of Standard II - proposal - sanction - requested.

...

The Fisheries Higher Elementary School, Navunda is now having the following strength, average attendance and staff.

Standard.	Strength.	Average Attendance	Staff.
IA	23	20	3 Secondary, plus 7 Higher Elementary.
IB	18	13	
II	56	50	
III	28	24	
IV	28	24	
V	30	25	
VI	28	25	
VII	20	15	
VIII	15	15	

The three Secondary Grade teachers are in charge of the Standards VI, VII and VIII. The six Higher Elementary Grade teachers are in-charge of Standards I to V (I having two divisions) and the 7th Higher Elementary Grade teacher is the prevocational Instructor.

The statistics furnished above clearly indicate the necessity for combining the two sections in Standard I and bifurcating Standard II in order to have efficient control, effective instructions and better supervision. The teacher who is now handling one division of the bifurcated ~~and~~ I standard will handle the proposed bifurcated division of standard II. The proposal does not involve any additional expenditure. Hence I request that Government may be pleased to approve of the proposal for combining the two divisions in Standard I and for bifurcating Standard II in the Fisheries Higher Elementary School at Navunda in South Kanara District.
